

Commercial Use License Confirmation

Color Koala

Color Koala is an AI-powered tool for creating coloring books and illustrations.

Users are permitted to use, publish, and sell content generated with Color Koala for commercial purposes, including through Amazon Kindle Direct Publishing (KDP) and other publishing platforms.

Color Koala does not require additional licensing fees, royalties, or attribution for such commercial use. Content created during an active subscription may continue to be used commercially after the subscription ends.

This permission applies only to rights that Color Koala is authorized to grant. Users are responsible for ensuring that their content complies with applicable laws, third-party intellectual property rights, and publishing platform requirements.

This document confirms general commercial use permission only. It does not establish copyright ownership or guarantee copyright protection, originality, or approval by any publishing platform.
